COCO
BAR

“I only drink Champagne
on two occasions,
when I am in love
and when I am not.”

- Coco Chanel, French fashion designer

“The first sip *from a good
Champagne must be like the first kiss from your lover,
if it kisses you back, you'll know it's a good one.”*

- Ashley, Orchid House

We're thrilled to have you here to enjoy the
effervescence of life. Let's toast to exquisite
moments and celebrations to come!

*Ashley & Alex
Orchid House*

*“...But a cocktail is not meant to be a mélange. It is not a
potpourri or an Easter parade. At its best, a cocktail should
be crisp, elegant, sincere—and limited to two ingredients.”*

“Just two?”

*“Yes. But they must be two ingredients that complement
each other; that laugh at each other's jokes and make
allowances for each other's faults; and that never shout over
each other in conversation. Like gin and tonic,” he said,
pointing to his drink.”*

- Amor Towles, *A Gentleman in Moscow*

“Too much of anything is bad, but
too much good whiskey is barely enough.”

- Mark Twain

*We extend our heartfelt gratitude to our wonderful visitors
who have graced our elegant restaurant & bar with their
presence.*

Your patronage makes our establishment truly special.

*We look forward to serving you again and creating more
unforgettable moments together.*

Cheers to you, our valued guests!
